Greens:

As you may all know aerification of the greens and tees starts September 15. Please note that no play will be allowed that day; play will resume on Tuesday, September 16, with the front nine open only. Check with the Pro Shop ahead of time for updates to the schedule of the golf course.

The two pump motors that failed have now been repaired and the turf is starting to look in better condition. Most likely you have noticed several fairways and tee boxes were badly damaged due to lack of water. Several water line breaks contribute to this cause also.

It is still unknown if the fairways will be over seeded this winter or not, due to the cost of the perennial rye grass has increased 20% this year.

Tree trimming and tree removal are still under way along with the bunkers renovation.

Please do not hesitate to stop by the business office or the Pro Shop to express any concern or idea you may have.

Thank you in advance.

# The Serving Table

Just a reminder, September 6, 2008 is our Night Golf. Be sure to sign up in the Pro Shop.

# The Office

**Trinidad Hernandez, General Manager**

The new membership campaign is going really well; there has been a high volume of inquires and several sign ups, keep in mind that there are bonuses for current members that refer new people to sign up. Please refer to the Rules and Regulations section for more information. I personally encourage you to get to know the new members and also welcome them to Rio Bravo Country Club.

I would like to take this opportunity to congratulate the Ladies Club for winning Team Play against Los Coyotes Ladies Club. (You Ladies' did an awesome job!!)

Despite the financial crisis that the Club is going through, the Corporation officers have approved several items to be purchased and upgrades to be made. Those items are 1. (4) ceiling fans for the grill area. 2. Remove the B.B.Q. grill from the wedding lawn. 3. Renovate and enlarge the wedding lawn. Also the Club is looking into purchasing exercise equipment to be placed into the Men's locker room. There will be a removal of two locker cabinets to accommodate the equipment.

# WOMEN'S CLUB

Barbara Valenzuela, Women's Club President

We are hoping to have a BIG turnout for our kickoff tournament on Sept. 6. A telephone committee should be making contacts with our members to urge participation in this yearly event. If you have any questions, want to play, etc., please sign up in the Ladies locker room or contact Nancy Frisbee, who will be running this particular event.

South Valley Team Play started August 13th at Stockdale. We did well in our first match, although we are down 1 point, but hope to gain it back in our next match at Kings Country Club on August 21st when we play Visalia.

Our Women's club hosted the fifth annual high school girl's golf clinic on July 22nd & 23rd. Many people volunteered including Cyndi Crabtree, Judy Anderson, Joan Reedy, Pat Rowe, Karen Cort, Ann Krausse, Bev Kuck, Candace Cline, Pat Stevens and Debbie Anderson. Thanks to the Rio Bravo staff that set up the equipment, served lunch and provided a friendly and organized atmosphere each day.

Rio Bravo Women's team wins the 2008 Southern California Golf Association Gross Championship, by defeating Los Coyotes Country Club in a 36 hole match. Los Coyotes had won 11 of 13 previous years. Team members included Captain Susan Erickson, Bobbi Plahn, Cyndi Walla, Suzanne Clarksean, Darlene Lundy, Debbie Kluge, Vivian Sparks, Candace Cline, Judy Anderson, Cissy Teagarden, Beverly Kuck, Treva Cardiel, Deanna Jones, Jeong Yoo, Barbara Valenzuela, Sharon Hoffman, Jen Quigley, Young Yoo, Joan Reedy, Karen Homme, Jackie Bunch, and Kathy Williams.

Reminder that we will have a general meeting following our kickoff tournament on Saturday, September 6, and a board meeting following Saturday play on September 20, 2008. Also, Membership Directory Update is posted in Women's Locker Room for any additions, or corrections. Please review your information and make sure its correct.

Thank you!
